

ZONE MAP FOR AGDER

From 16 October 2017

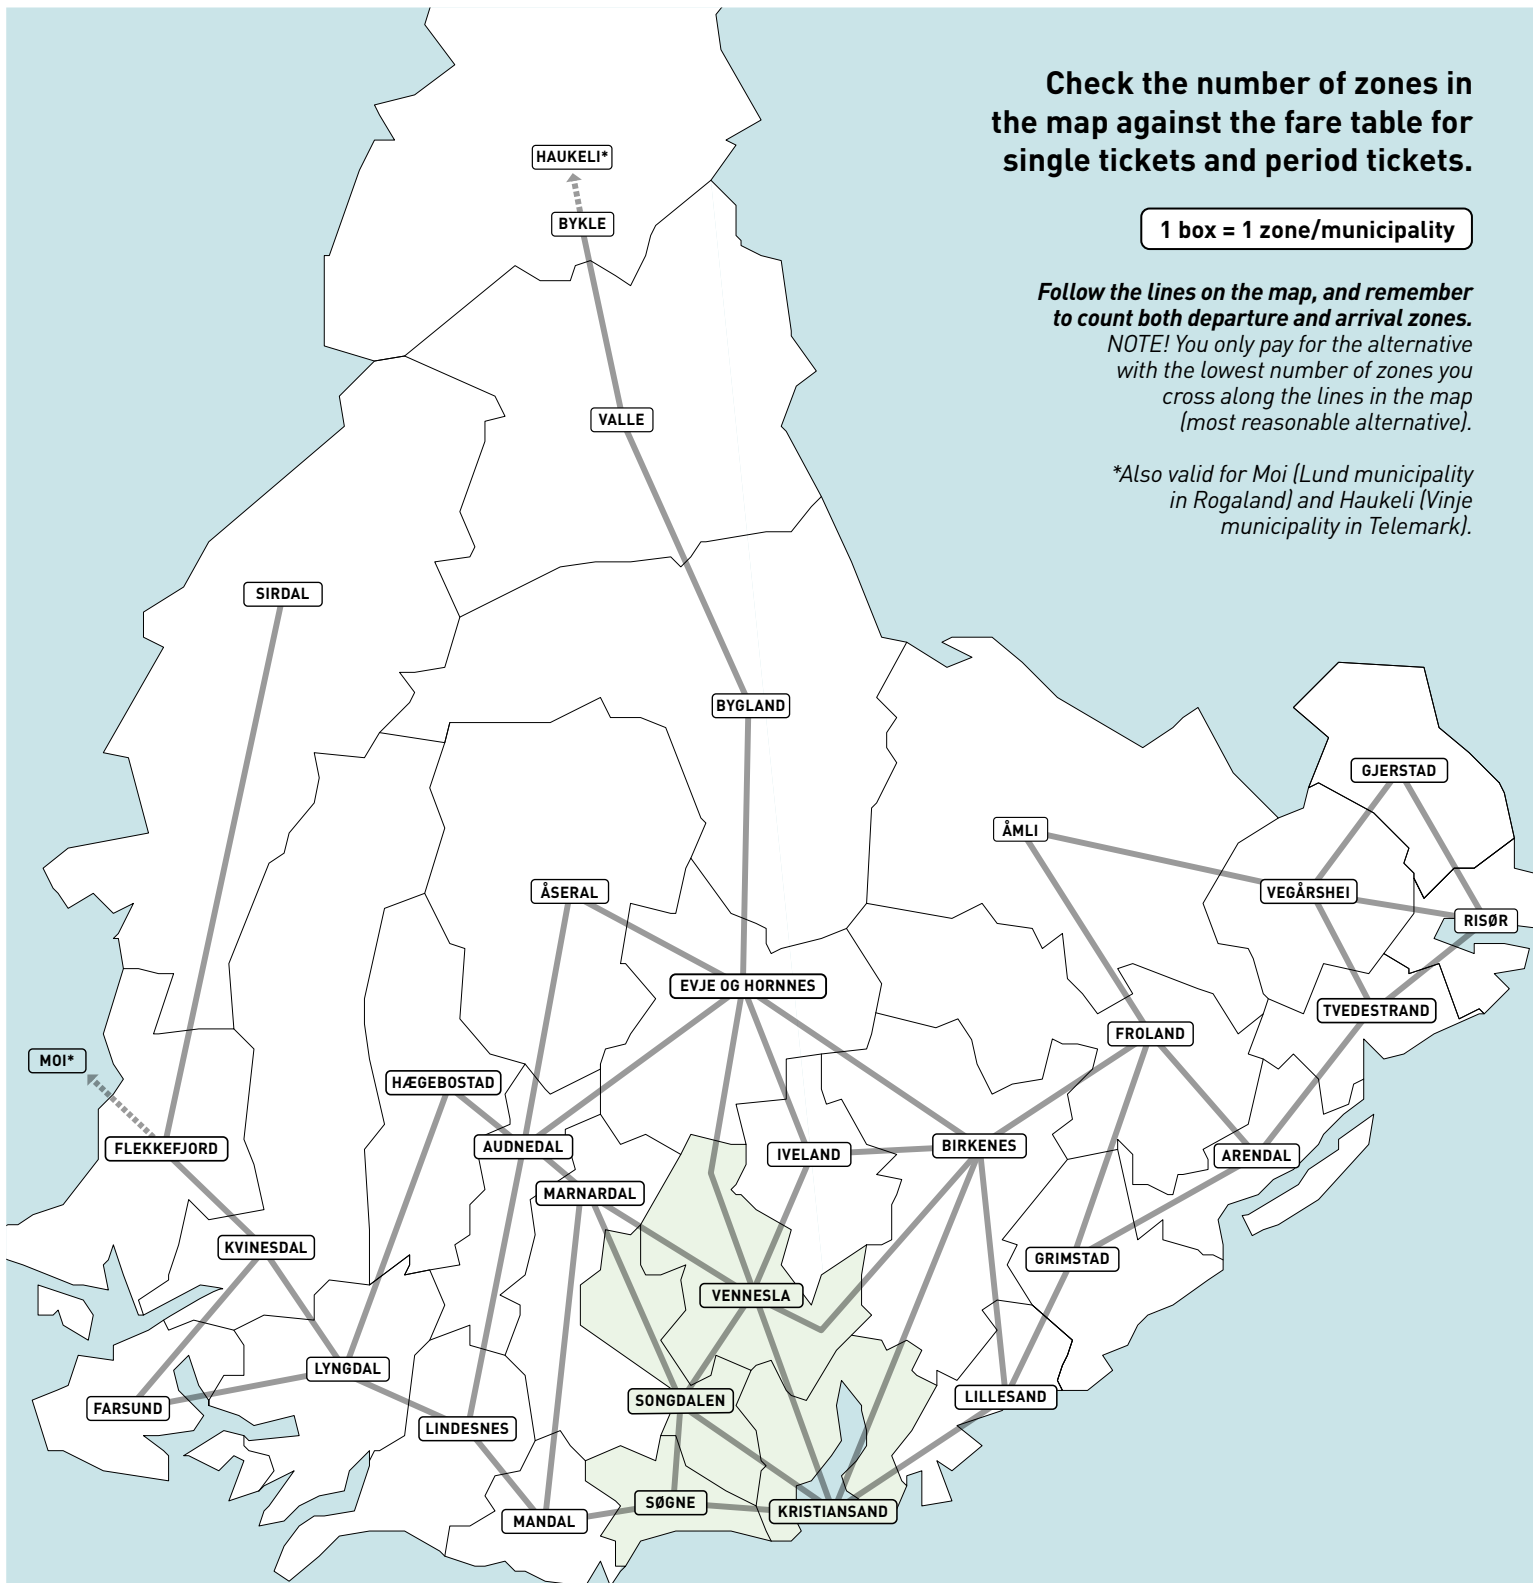

Check the number of zones in the map against the fare table for single tickets and period tickets.

1 box = 1 zone/municipality

Follow the lines on the map, and remember to count both departure and arrival zones.

NOTE! You only pay for the alternative with the lowest number of zones you cross along the lines in the map (most reasonable alternative).

*Also valid for Moi (Lund municipality in Rogaland) and Haukeli (Vinje municipality in Telemark).

The fares apply to all services operated on assignment for Agder Kollektivtrafikk AS. Separate fares apply to night buses, airport buses and commercial express buses.

Kristiansandsområdet

Adult period tickets, Kristiansand area: Kristiansand, Søgne, Songdalen and Vennesla (including Øvrebo), are considered one zone. Flexicard: Valid for the whole Kristiansand area.
